DENTAL TREATMENT CONSENT FORM

Patient Name _____

Birthdate _____

Please read and initial the items checked below. Then read and sign the section at the bottom of form.

1. WORK TO BE DONE

I understand that I am having the following work done: Fillings _____ Bridges _____ Crowns _____ Extractions _____
Impacted teeth removed _____ General Anesthesia _____ Root Canals _____ Other _____

(Initials _____)

2. DRUGS AND MEDICATIONS

I understand that antibiotics and analgesics and other medications can cause allergic reactions causing redness and swelling of tissues, pain, itching, vomiting, and/or anaphylactic shock (severe allergic reaction).

(Initials _____)

3. CHANGES IN TREATMENT PLAN

I understand that during treatment it may be necessary to change or add procedures because of conditions found while working on the teeth that were not discovered during examination, the most common being root canal therapy following routine restorative procedures. I give my permission to the Dentist to make any/all changes and additions as necessary.

(Initials _____)

4. REMOVAL OF TEETH

Alternatives to removal have been explained to me (root canal therapy, crowns, and periodontal surgery, etc.) and I authorize the Dentist to remove the following teeth _____ and any others necessary for reasons in paragraph #3. I understand removing teeth does not always remove all the infection, if present, and it may be necessary to have further treatment. I understand the risks involved in having teeth removed, some of which are pain, swelling, spread of infection, dry socket, loss of feeling in my teeth, lips, tongue and surrounding tissue (Paresthesia) that can last for an indefinite period of time (days or months) or fractured jaw. I understand I may need further treatment by a specialist or even hospitalization if complications arise during or following treatment, the cost of which is my responsibility.

(Initials _____)

5. CROWN, BRIDGES AND CAPS

I understand that sometimes it is not possible to match the color of natural teeth exactly with artificial teeth. I further understand that I may be wearing temporary crowns, which may come off easily and that I must be careful to ensure that they are kept on until the permanent crowns are delivered. I realize the final opportunity to make changes in my new crown, bridge, or cap (including shape, fit, size, and color) will be before cementation.

(Initials _____)

6. DENTURES, COMPLETE OR PARTIAL

I realize that full or partial dentures are artificial, constructed of plastic, metal, and/or porcelain. The problems of wearing these appliances have been explained to me, including looseness, soreness, and possible breakage. I realize the final opportunity to make changes in my new dentures (including shape, fit, size, placement, and color) will be the "teeth in wax" try-in visit. I understand that most dentures require relining approximately three to twelve months after initial placement. The cost for this procedure is not included in the initial denture fee.

(Initials _____)

7. ENDODONTIC TREATMENT (ROOT CANAL)

I realize there is no guarantee that root canal treatment will save my tooth, and that complications can occur from the treatment, and that occasionally metal objects are cemented in the tooth or extend through the root, which does not necessarily affect the success of the treatment, I understand that occasionally additional surgical procedures may be necessary following root canal treatment (apicoectomy).

(Initials _____)

8. PERIODONTAL LOSS (TISSUE & BONE)

I understand that I have a serious condition, causing gum and bone infection or loss and that it can lead to the loss of my teeth. Alternative treatment plans have been explained to me, including gum surgery, replacements and/or extractions. I understand that undertaking any dental procedures may have a future adverse effect on my periodontal condition.

(Initials _____)

I understand that dentistry is not an exact science and that, therefore, reputable practitioners cannot guarantee results. I acknowledge that no guarantee or assurance has been made to me by anyone regarding the dental treatment that I have requested and authorized for my self or my minor child. I have had full opportunity to discuss and ask questions regarding the dental treatment, and all questions have been answered to my satisfaction.

I consent to receiving appointment reminders and other healthcare communications/information through email and/or text _____ I.

Pediatric Patients Only

In order for the staff to develop a patient/doctor relationship with your, we ask that you stay in the waiting room during your child's treatment. Children act differently without the parents around and in this way, we can get to know your child better. Don't worry, we will never do a procedure without your consent. WE take a great amount of time explaining everything we do to the child and to you. If you have any questions, don't hesitate to ask, and encourage your child to ask as well. We also take time to work through any fears the child may have of the dentist and our surroundings. That is why we allot as much time as any adult being treated. During the first visit, we talk to the child, answer questions, do a cleaning, take X-Rays (after age 6), and give a complete head, neck, and oral exam. For younger children, we will complete as much as the child will allow us. Afterward, we will bring the parent(s) into the exam room, discuss our findings, treatment plan, and costs, and answer questions. WE will not force your child to do anything against their will. This only encourages fear and dislike of dentists as well as other doctors. Please do not threaten or use "scare tactics" to get your child to cooperate with us. If we absolutely cannot get your child to cooperate, we may refer her/him to a pediatric dentist (a dentist who specializes in child dentistry)._____ I.

EXAM VIA TELEDENTISTRY CONSENT FORM

Advanced Dental Centers will be using TeleDent's remote communication technology to conduct problem-focused evaluations/re-evaluations virtually, to help manage your oral health problem and to determine whether you have a condition that requires immediate in-office treatment.

During the current pandemic the federal government announced that it will not enforce HIPAA regulations (privacy for health records) in connection with medical and dental offices' good faith provision of medical or dental services using non-public facing audio or video remote communications services. Remote patient consultations may take place over applications that allow video chats such as Apple Face Time, Facebook Messenger video chat, Google Hangouts, Skype, or Zoom and may involve or be based on photos or videos taken with smart phones by the patient and transmitted to the dental office. Please do not contact us using public-facing services such as Facebook Live, Twitch, or TikTok, which are not permitted by the federal government for this purpose.

As always, our office will take dental record confidentiality very seriously, and will do what we can under the circumstances to protect the information you send us. While we believe the risk to such confidentiality is not high, it may be greater than it would be if these remote electronic communications were encrypted, which is one of the main HIPAA requirement's that is being relaxed during the nationwide COVID-19 public health emergency.

Certain major dental plans have announced that they will reimburse dental offices for conducting such remote evaluations, and we will submit claims in connection with them.

Our dental office is using one or more of the permitted modalities listed above for remote transmission of information to conduct limited problem focused evaluations. While entirely adequate in the vast majority of cases for such limited purposes, these evaluations may not reveal conditions that would be discovered during an office visit or through the use of specialized teledentistry technology.

Please indicate your understanding of and informed consent to these terms, which will be in effect until the government rescinds its suspension of these HIPAA requirements, by sign your name in the space provided and return via email to this office.
